Identification and Assertion of Restrictions on the Government's Use, Release, or Disclosure of Technical Data.

Select one & sign below:

No restrictions under this clause apply

Subcontractor requests restrictions in accordance with the table below.

The Subcontractor asserts for itself, or the persons identified below, that the Government's rights to use, release, or disclose the following technical data or computer software should be restricted:

Technical Data to be Furnished With Restrictions¹	Basis for Assertion²	Asserted Rights Category³	Name of Person Asserting Restrictions⁴

1. If the assertion is applicable to items, components, or processes developed at private expense, identify both the data and each such item, component, or process.

2. Generally, the development of an item, component, or process at private expense, either exclusively or partially, is the only basis for asserting restrictions on the Government's rights to use, release, or disclose technical data pertaining to such items, components, or processes. Indicate whether development was exclusively or partially at private expense. If development was not at private expense, enter the specific reason for asserting that the Government's rights should be restricted.

3. Enter asserted rights category (e.g., government purpose license rights from a prior contract, rights in SBIR/STTR data generated under another contract, limited or government purpose rights under this or a prior contract, or specifically negotiated licenses).

4. Corporation, individual, or other person, as appropriate.
